

Sloped Shouldered Bottle with 28R3 Neck

- ◆ Leak proof bottle with a 28R3 neck - accepts a Clic-Loc® child resistant, child resistant tamper evident or a standard screw cap
- ◆ Sloped shoulder design allows for even and maximum dispensing of product
- ◆ Manufactured from rigid chemically resistant HDPE
- ◆ Can be supplied standard in either natural or white polymer
- ◆ All materials are FDA approved
- ◆ Size range from 60ml to 1000ml

Sloped Shouldered Bottle with 28R3 Neck

These bottles are available with a child resistant tamper evident closure, or a purely tamper evident closure, ensuring your product does not get into the wrong hands - ideal for storing or transporting pharmaceutical or hazardous products. They can also be supplied with standard caps if preferable (see separate Caps and Closures sheet).

The 28R3 neck has a lower profile and is more suitable for some applications

Bottles can be supplied standard in either natural or white rigid chemically resistant HDPE. Both options have a unique product code, listed in the table below.

The bottles can be manufactured from natural or pigmented polymers and can be labelled or printed if required.*

All bottles are manufactured from FDA approved material.

** All bottle customisation subject to minimum order quantity and your design being agreed before production commences.*
